Students may be dismissed or barred from the class for rude, vulgar or disruptive behavior or for being generally inattentive during class. Classes will begin and end on time. No late arrivals are allowed. Participants must remain in class for the entire 8 hours. No exceptions.

Pre-registration is required. There is no telephone registration. It will take approximately 15-20 minutes to complete the registration packet. Be sure to have your **driver's license number, social security number, and judge's name** when you come to register.

Persons under the age of 16 must be accompanied by a parent or legal guardian at time of registration.

Registration is on a first come, first served basis with 20 being the maximum limit for the class. Classes are held on Monday and Wednesday evenings from 6PM - 8PM. This is an eight hour course (4 - Two hour sessions).

Our classes fill quickly. Due to the high volume of class participants, we recommend prompt registration (after court appearance) so that court ordered deadlines will be met.
