Dripping Springs High School will be administering the ACT Plan Test. The Plan test is a practice test for the ACT. Sophomores are the target audience. The strengths of the Plan test include increasing testing ability and students' knowledge level in English, Writing, Math, and Science. In addition, it also provides on the results report a "World of Work" to help with Career Decision-making. We strongly encourage 10th graders to take the ACT Plan test.

Sign up in the Counseling Office until Oct. 5th.
