Course Synopsis: This is the beginning choir class. We will learn the basics of choral singing, music reading and sight singing skills, vocal / choral singing technique, music theory skills, and sing unison and part songs for treble voices . We will perform a minimum of two concerts this year and participate in the area Solo / Ensemble Contest in the spring.

Textbook: **Essential Repertoire for Young Choirs** and published choral octavos and other printed works.

Grading Procedures: Based on accumulated point system over 6 week grading period.

Behavior: DSMS Campus Discipline will be enforced.

Concerts: All concerts are graded. Concerts are the culmination of many hours of work in class and the performance demonstrates mastery of the concepts and material that was learned. Concerts comprise 500 points of the student's grade for the 6 weeks grading period.

Homework: There is no written homework for choir, however sometimes students are required to practice their music and a rehearsal tape is usually provided.
